CONSTRUCTION TIMELINE

Q3 2026	Q4 2026	Q2 2027	Q4 2027	Q2 2028	Q1 2029	Aug 2029	2030
Groundbreaking	Foundations	Level 3 Complete	Level 7 Complete	Topped Out	Finishes	Practical Completion	Sell-Out

KEY DATES

Start: Q3 2026 | Duration: 36 months | Completion: August 2029

Practical Completion: Aug 2029 | Handover Period: 2030

Expected Sell-Out: 2030 | Project Fully Realized

RISK MITIGATION

Permit & Regulatory Delays	Ecotecture pre-cleared architecture + experienced local partners
Sales Velocity Below Target	Off-plan model locks 63 units; aggressive diaspora marketing
Construction Cost Overrun	Fixed-price builder contracts + 3.5% contingency reserve
Land Title Complications	Clean title verified; landowner stake aligns incentives
